Take your team to the top with BridgeClimb Sydney!

Whether your aim is to motivate, offer a great incentive or a team building program, BridgeClimb will bring your team together, 134 metres above Sydney Harbour.
There are three unique adventures to choose from:

The Express Climb

The Express Climb is the fastest way to the top of the Sydney Harbour Bridge and is ideal for corporate groups or visitors who may be visiting Sydney for conferences, events or meetings and who only have a limited amount of time. In a group of up to 12, Climbers are guided through the heart of the Bridge and to its summit in just 2 hours and 15 minutes where they can witness the thrilling views of Sydney and beyond.

The Discovery Climb

This 3$^{1/2}$ hour Climb will take Climbers through the heart of the Bridge, providing a unique opportunity to explore the inner workings of this structure. In groups of up to 14 they will see the Bridge up close and hear the stories behind this triumph of engineering. At the summit, the team will be rewarded with stunning views and a sense of achievement that no-one will ever forget.

The Bridge Climb

This original climbing adventure will take Climbers on the outer arch of the Bridge's structure for a 3 ½ hour experience of Sydney and its magnificent harbour. In a team of up to 14, they will be motivated, challenged and united throughout the experience and rewarded with one of the best views in the world.

Corporate Climbs

With the opening of BridgeClimb's new Climber Base, catering for larger groups has now been made possible. Large incentive and conference groups can experience the unique thrill of climbing the Sydney Harbour Bridge, with no group too large to experience the Climb of their life!
