Press Release
December 2012

This Christmas, celebrate in a big way and give someone Sydney's biggest present…gift the Bridge!

This Christmas, why not give someone the opportunity to see a side of Sydney they have never seen before. Give someone the chance to really feel part of the city. This year, BridgeClimb Sydney has the perfect gift to give - the Bridge!

There is really only one way to experience the Bridge and that is to climb it. By gifting the Bridge this Christmas, you will be giving someone the chance to climb through the heart of the Sydney Harbour Bridge's massive structure and take in the spectacular 360 degree views of Sydney and one of the most beautiful harbours in the world. The Sydney Harbour Bridge is one of the best vantage points to see Sydney and its surrounds, making this an unforgettable way to get up close and personal to an Australian icon, your Bridge.

Gifting the Bridge is simple. You can give your loved ones the chance to connect with their Bridge this Christmas, just as it's connected with Sydney for the last 80 years with a BridgeClimb Gift Certificate. It is more than a simple gift - you are giving them an experience they will remember for a lifetime.

There are three exciting climbs to the summit of the Bridge; The Bridge Climb, The Discovery Climb and The Express Climb, all available at dawn, during the day, twilight and at night. Climbs start at $198 for an adult and $138 for a child. For further details please call the Ticket Hotline on (02) 8274 7777 or visit www.bridgeclimb.com.
