

# Step inside the story

The only way to explore the stories of the **Sydney Harbour Bridge** from within its historic structure.

This new museum experience will offer an immersive journey into the heart of Australia's most iconic structure. Visitors will experience modern storytelling through interactive displays, historical memorabilia, and multimedia exhibits that bring the Bridge's history to life—from its construction to its ongoing role in Sydney's living heritage, along with stories of the harbour and its surrounds.

Located within the South-East Pylon of the iconic Sydney Harbour Bridge, guests will have the special opportunity to step inside the Bridge and embark on a self-guided, interactive journey that blends history, innovation, and storytelling.

Joining BridgeClimb as a must-do destination, guests can now pair BridgeClimb's ultimate views and world-class guided tour, with the chance to step further into the stories of the Bridge and surrounds. Two iconic Sydney experiences in the one place!
