

THE *Wedding*CLIMB

WHAT IS THE “*Wedding*CLIMB”?

The *Wedding*CLIMB is an incredible Private Climb for the couple, celebrant, witnesses and up to nine additional guests - where the couple ties the knot at the Summit of the Sydney Harbour Bridge in the company of their nearest and dearest!

CELEBRANT

Once you have selected your celebrant you will work with them directly on the details of your ceremony and the official paperwork. We will connect with your chosen celebrant closer to the date in regard to your Order of Service/ Vows. If you do not yet have a celebrant, we can recommend one to you. Celebrant fee is not included in the wedding climb cost.

WEDDING CLIMB ROUTE

*Wedding*CLIMBS follow the same route as the Summit Insider Climb with the ceremony taking place at the Summit of the Bridge where all members of the wedding party will come together to witness your special moment. Starting from the Climb Base below the Bradfield Highway, you’ll walk along catwalks that offer stunning views of Sydney Harbour, passing by the South-East Pylon as you

head toward the base of the Bridge’s lower arch on the Opera House side. From there, you’ll begin your ascent up to the peak of the lower arch. After reaching this point, you’ll take a staircase to the Summit, where you can celebrate with your group and enjoy the incredible views. You’ll then cross the spine of the Bridge to the Darling Harbour side and make your way down to the Climb Base to finish the experience.

WHAT WILL HAPPEN ON THE DAY?

The wedding party and celebrant will arrive at BridgeClimb 30 minutes before the Climb start time. The Climb itself will take 3 hours, including preparation time. After the Climb, you will have your own private area for the signing of the register. There are catering options for before and after the climb to celebrate your special day.

WOW, WOW, WOW!!! Thank you so so much, our day was absolutely perfect and a lot of that is down to you. We are so grateful to the whole BridgeClimb team for your genuine care and attention to detail.
